

Don Edwards San Francisco Bay National Wildlife Refuge

South Bay Salt Pond Restoration Presentations

The South Bay Restoration Project will transform South San Francisco Bay in the next few decades. How will this affect habitat, wildlife, and wildlife-oriented recreation? In this slide presentation, learn about the project, the role of Don Edwards San Francisco Bay NWR, and how you can become involved with the largest tidal wetland restoration project on the West Coast.

Suitable for ages 12 years and older.
